

学语法不如练语感

语感到了，下笔有料，语感没到，就是瞎闹

例句文本：

NBC:

Wu did not trail for a second in any of the 500m races, breaking the world record twice in an hour in the process.

Bloomberg:

JD.com Inc. is preparing to make its U.S. debut with a beachhead in Los Angeles, seeking to best arch-rival Alibaba and challenge Amazon.com Inc. on its home turf.

CNBC:

The chairman of Chinese carmaker Geely has built up an almost 10 percent stake in Mercedes-Benz owner Daimler, making a \$9 billion (£6.4 billion) bet that he can push through an alliance to access the German company's technology.

Financial Times:

Richard Liu, the group's founder and chief executive, told the Financial Times his company will first launch its ecommerce platform and delivery services in France, then the UK and Germany.

CNN Money:

Mobike, a bike sharing company considered to be one of China's most valuable startups, has been snapped up by tech giant Meituan-Dianping.

Los Angeles Times:

Queen Elizabeth II, with her eldest son Prince Charles at her side, waved to the crowd as they celebrated her 92nd birthday in song.

The New York Times:

Li Ka-shing, a high school dropout who got his start selling plastic flowers, will retire from the empire that made him Hong Kong's richest man, bringing a symbolic end to an era when the road to China's riches went through the onetime British colony.
